

A donation instead of flowers will help protect local landscapes full of wild flowers for generations to come.

Traditionally we pay respect to our departed loved ones through a gift of flowers. However, cut flowers never last for long – unlike wild flowers in the countryside, which if cared for can last for generations to come.

Friends of the Peak District works to protect and enhance all the landscapes and countryside of the Peak District.

A donation to Friends of the Peak District in memory of a loved one will help us to protect beautiful countryside including orchids and wild flowers and enhance it for everyone to enjoy now and forever – a gift that blooms and is full of hope for the future.

We are all concerned about our environment, so what better way to be remembered than to help leave a thriving natural world for future generations, so they too can enjoy the wonders of the countryside around us.

If you would like to remember a loved one in this way, please complete the details opposite and return it with your donation to the freepost address given.

Your gift, however large or small, will make a Real difference to our local countryside.

Thank you for thinking about us at this sad time.

IN MEMORIAM TRIBUTE FUNDS

A lasting legacy for the countryside.

A living tribute for your loved one.

I would like to make a donation in memory.

Thank you for taking the time to make this donation. Donations given in memory of a loved one, or instead of flowers at a funeral, ensure that Friends of the Peak District can continue to protect and enhance our first National Park for everyone to enjoy and support a living, working countryside that changes with time but remains beautiful forever. Your loved one will be a part of this forever in a lasting tribute of his or her life.

Gift Aid

Every gift is now worth an extra 25p per £1 you give! If you pay annual income or capital gains tax, Friends of the Peak District will be able to reclaim the relevant amount. To do this, please tick the box below.

I would like my gift to work even harder for Friends of the Peak District by ensuring the taxman can add his contribution too. I instruct Friends of the Peak District to treat all donations I make as Gift Aid donations, until I tell you otherwise.

Data Protection
