

HELP KEEP THE PEAK PARK LOOKING BEAUTIFUL — ENJOY A DAY OUT IN THE COUNTRYSIDE WITH OUR GROUP OF FRIENDLY VOLUNTEERS...

Have fun and help preserve the unique landscapes of the Peak District National Park by doing practical conservation activities such as dry stone walling, fencing, footpath repair, step building, seed collecting, tree-ringing, creating wildlife habitats and much more!

No previous experience necessary as full training is provided by qualified rangers.

This is a great opportunity for socialising and helping to keep the Peak District National Park the great place that it is.

If you are interested, there are several practical conservation opportunities that have been confirmed for 2008:

Events Programme 2008
